SOLUTION

UniversitySite provided the foundational components of an LMS with full support from Proficiency experts.

CAMPAIGN KPI

- Go live within 90 days
- Easy for attorneys & staff
- Tech partner meeting current needs and room for growth

CORE THEMES

Implement an LMS to track and report training more efficiently to move faster and with accuracy.

Overview

Verrill, a growing New England law firm, has quickly increased their number of staff and attorneys. As a result, they realized a Learning Management System (LMS) was necessary to equip their firm for future growth. Through an arduous process they concluded that UniversitySite fit their needs. After implementing UniversitySite, they feel equipped to accomplish more than initially envisioned because of the UniversitySite's many features, versatility, and ease of use.

Product

UniversitySite is an excellent tool for establishing learning plans for different groups of users and then measuring individual performances against each plan. UniversitySite enables a firm to schedule and manage training to support its technology initiatives. In addition, it allows for building a university-style continuing education program with instructor-led learning and eLearning which can ultimately lead to creating a culture of learning and accountability.
